

# NORDQUA Excursion to Northern Poland

Gdańsk, September 17–19, 2025

We are pleased to invite all of you to this year's NORDQUA excursion, which will take place in northern Poland from the morning of the 17<sup>th</sup> to the afternoon of the 19<sup>th</sup> of September. Three full days of field excursion will be filled with topics related to the origin and evolution of glacial landforms, sediments and lakes, as well as processes of past and present coastal hazards in the southern Baltic coast. We are going to show and discuss interesting field sites (sediment outcrops, landscape views, drilling sites) located in the Gdańsk area, close to the Baltic seacoast. You are expected to arrive to Poland September 16<sup>th</sup> in order to be able to participate in the excursion from the morning of the 17<sup>th</sup>. Students will have the opportunity to receive 2 ECTS points based on participation in the excursion and written report.

## Important information:

- to register, please fill-in the following form: <https://forms.gle/vZ4ECaVMxpfyGGFXA>,
- the estimated fee will not exceed **400-450 PLN** and it will cover: participation, materials, bus during the excursion and lunch-packs,
- the exact amount of the fee depends on the number of participants and funding received – it will be announced in May, together with account data for bank transfer,
- the deadline for registration is the **end of April**,
- the detailed program of the excursion will be released in May in the second circular,
- if you have any questions, write to: [nordqua2025@gmail.com](mailto:nordqua2025@gmail.com).
