IAG-Urban Geomorphology-2024 Working Group Workshop

Geomorphology, geodiversity and geosites in urban areas

September 3-6, 2024

Kraków, Poland

First circular

We are pleased to invite you to take part in the 1st Workshop of the IAG-Urban Geomorphology Working Group which will take place in Krakow, Poland on 3-6 September 2024.

The aim of the workshop is to bring together urban geomorphologists and geographers from all continents to contribute to a better understanding of ancient and modern geomorphological processes taking place in the world's urban areas, as well as to facilitate future cooperation.

The Workshop includes:

Day 1 - plenary session - lectures by invited guests, oral and poster sessions

Day 2 - paper and poster sessions and an afternoon trip around Krakow

Day 3 - workshop part in computer laboratories using GIS software - dedicated especially to young scientists

Day 4 - field trip to Upper Silesia Region

English is the official language of the workshop

SCIENTIFIC COMMITTEE

Prof. Pierluigi Brandolini (Italy)

Prof. Maurizio Del Monte (Italy)

RNDr. Lucie Kubalíková, Ph.D. (Czech Republik)

Prof. Adam Łajczak (Poland)

Prof. Laura Melelli (Italy)

Prof. Emmanuel Reynard (Switzerland)

Prof. Konstantinos Vouvalidis (Greece)

Prof. Zbigniew Zwoliński (Poland)

ADAM MICKIEWICZ

Link for early registration: <https://forms.gle/bpeVhLs5Q81gkGgc7>

Please register as soon as possible, if you plan to participate; it will help us manage and facilitate planning of activities.

Bank details for the payment of the Workshop fee will be provided in the Second circular.

A maximum of 45 participants is foreseen for the Field trip.

Abstract submission deadline: 31.05.2024

Grants for young geomorphologists

IAG is sponsoring two grants for young geomorphologists to finance participation in the entire event. Detailed information will be included in the next announcement and on the website: <http://www.geomorph.org/category/yg/grants/open-calls/>

VENUE

The Workshop will be held at the University of the National Education Commission in Krakow.
Full address: Podchorążych 2, 30-084 Krakow

Balice International Airport (KRK) is the main gateway with direct flights from the most relevant cities all over the world. From Balice airport to Krakow city center bus connections and train shuttle are leaving every 30 minutes (duration 35', 17 zł).

The easiest way to get from the center of Krakow to the conference venue is by tram, which leaves every few minutes (Tram stop: Uniwersytet Pedagogiczny)

Similarly, almost all Polish and European destinations are connected to Krakow by trains stopping at Kraków Main Station (Kraków Główny). Kraków Główny railway station and nearby UKEN are conveniently served by an efficient network of buses, trams, and taxis.

Information on tickets and passes to access public buses and trams transportation are available here: <https://www.mpk.krakow.pl/en/>

ACCOMMODATION

The number of hotels in Krakow is countless. Only in one km range from the University there are more than 100 accommodation structures, from bed and breakfast to luxury 5-star hotels.

We recommend accommodation in the academic hotel center, which is only a 10-minute walk from the conference venue: <https://ach.uken.krakow.pl/hotel/>
